Home Learning

Spending time in nature is good for you! Here are a few ideas, activities and links.

KS2+

Bumblebee and Butterfly Training Tool

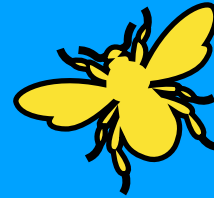

You can use this free tool (no email needed)

[Bee and Butterfly Tool](#)

Can you beat your own score?

Name That Bumblebee!

Click [HERE](#) for a guide to the 8 most common species.

1900 people have promised to plant for pollinators!

- ✱ We'd love to see photos of your patches or you could tell us about which pollinators have visited them. Ask an adult to #XPolli or send images to:

pollination1@st-albans.hants.sch.uk

- ✱ This [planting tool](#) can help you choose plants for bumblebees. Do your bees like the same plants?
- ✱ Who else could you persuade to sign up or perhaps you'd like to join us?

Make your [#PolliPromise](#)

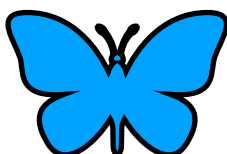

Can you catch a pollinator on camera?

Spot a pollinator in the garden or park.

Draw a map of where it visits.

Spend time looking closely. **Draw** or **paint** a pollinator.
